

## Owning a FlexDraper® just got a whole lot sunnier!

- 1** The Sunflower Attachment provides even more multi-crop performance from a MacDon draper header.
- 2** Unique lean bar design does not require any modifications to the header; just install it and go.
- 3** Quick removal pans will save time in the field when switching from one crop type to another.
- 4** A factory fit that works seamlessly with your MacDon draper header.
- 5** Cut wider passes in sunflower fields; this kit fits 9.1 m – 15.2 m (30' – 50') D2 and FD2 models.
- 6** The Sunflower Attachment is row independent providing the freedom to harvest in any direction.
